## Celebrating Our Centennial

It's a GREAT thing to be a Bumblebee, and it has been that way for 100 years! The 2024-2025 school year marks the District's centennial. We have some special moments planned to commemorate this milestone. Weekly posts about the history of our hive will be posted to Academy ISD's Facebook page and on our website at www.academyisd.net/100years. We will have special interviews from alumni, school board members, and AISD employees. Make plans to attend Academy High School's Homecoming football game on September 20, 2024. Stay tuned for more opportunities to celebrate Academy's centennial!
