100 YEARS Academy ISD

Celebrating Our Centennial

It's a GREAT thing to be a Bumblebee, and it has been that way for 100 years! The 2024-2025 school year marks the District's centennial. We have some special moments planned to commemorate this milestone. Weekly posts about the history of our hive will be posted to Academy ISD's Facebook page and on our website at www.academyisd.net/100years. We will have special interviews from alumni, school board members, and AISD employees. Make plans to attend Academy High School's Homecoming football game on September 20, 2024. Stay tuned for more opportunities to celebrate Academy's centennial!

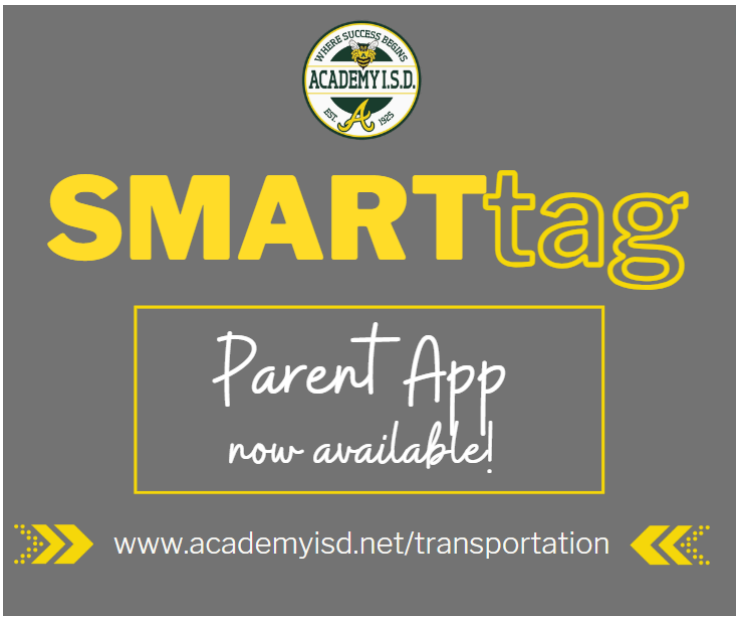
AISD Transportation: SMARTtag



The SMARTtag electronic bus transportation system ensures that students get on the right bus and get off at the right stop! Parents can now download the SMARTtag Parent App - available for Android and iOS users.

With the SMARTtag Parent App, parents/guardians are able to:

- Monitor their student's bus riding activity
- Receive notifications when their student gets on/off the bus at their home stop or school
- View live bus location
- Manage guardians authorized to receive their student at their PM drop-off stop.

Learn more about AISD Transportation by visiting www.academyisd.net/transportation.

7th Grade Reminder

Texas state law requires incoming 7th grade students to receive a dose of the meningococcal conjugate (MCV4) vaccine and a dose of the tetanus diphtheria-acellular pertussis (Tdap) vaccine.

Without proper documentation of required vaccinations or a valid medical or conscientious exemption, students will not be allowed to attend school.

For questions, please contact Nurse Drake at tonya.drake@academyisd.net.
