

Our Goals for Student Achievement

Campus Goals

1. Academy High School will meet or exceed all State and Federal Standards for Academic Excellence.
2. Academy High School community and parents will become a full partner in educational improvement efforts. The district will maintain open lines of communication with all stakeholders.
3. Academy High School will provide a safe and orderly school environment that supports learning and staff effectiveness.

Our Responsibility to Our Students

To enable our students to meet the state's academic achievement standards, our school provides high quality curriculum and instruction to our students in supportive and effective classroom environments. Our teachers regularly engage in a deep study of the standards and receive ongoing professional development to refine their instructional practices. We support our students and work hard to provide a welcoming, safe school environment.

Academy High School School-Parent Compact

2022-2023

What is a School-Parent Compact?

This school-parent compact offers ways that we can work together to help our students achieve the state's high standards. It provides strategies to help connect learning at school and at home. It is a commitment made amongst teachers, parents and students to share the responsibility for improving student achievement.

Jointly Developed

This school-parent compact is the result of continuous collaboration between our parents, families and staff. Our Site Based Decision Making Committee and our Parent Advisory Council meet several times a year to share ideas and work toward common goals. In the spring of each year, we hold a Title I meeting to review and revise this compact based on the school's academic goals and students' needs.
