## COVID-19 UPDATE

At AISD, we continue to provide a safe environment for our students and staff. We are not immune to the pandemic; however, we remain vigilant in our efforts to educate the students of this community as best we can during this time. Regardless of your stance, all of us will soon have the choice to take the vaccine or not, which is a positive step towards moving past this pandemic. I wish all of you the very best and stay safe out there.
