Bond 2021 - Thank You!

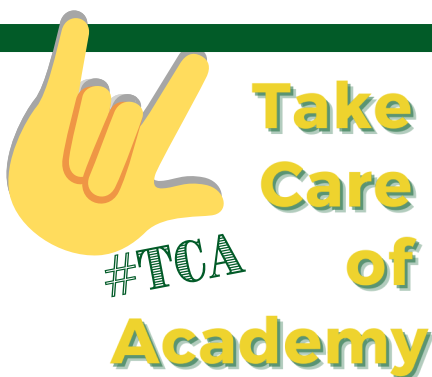

We are so thankful to the Academy ISD school community for the support for the construction project. 68% approval is phenomenal! The processes are already underway as surveyors, geotech engineers, and architects beginning to work on concepts for us to consider. A lot of work is in front of us, but a truly exciting experience for all of us. We will be updating the bond link below as we begin the various stages of stakeholder feedback and design.

COVID-19 UPDATE

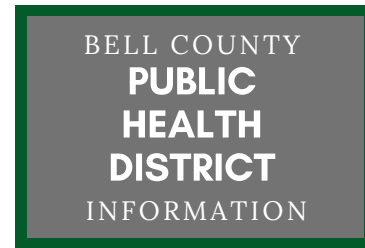

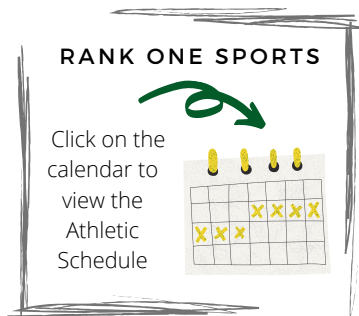

The AISD Board of Trustees discussed at length, and has decided the following:

1. As of May 13, 2021 – face coverings are optional for ALL AISD outdoor activities.
2. Beginning Thursday, May 27, 2021, face coverings will be optional for ALL Academy ISD functions.

This will ensure continuity for the remainder of the school year. The biggest concern at this point is contact tracing and how it affects groups of students. THANK YOU to the AISD Board for considering all things. We have had a great year so far – let's finish strong!
