

Greetings! My name is Nancy Sykes. I am honored to be the school counselor for Academy Intermediate School. I have been working in education for about 25 years; ten years as a school counselor. This will be my 7th year in Academy. Here are a few things provided by the counseling program on our campus:

- classroom guidance lessons that focus on social & emotional growth, career development, educational goals, and academic skills.
- individual student counseling
- small group counseling
- consultation with parents and teachers regarding student academic and emotional needs.
- community resources and referrals.
- information regarding state testing and special programs.
- coordinate the comfort closet which provides hygiene supplies for our neediest students.

Individual meetings are available upon request. If you have any questions or concerns do not hesitate to contact me. You may email me at nancy.sykes@academyisd.net or call 254-982-0150. You may also contact me through the Counselor's Remind (*see attached directions*).

I look forward to serving you and your child.

Sincerely,

Nancy Sykes, School Counselor
Academy Intermediate School
