STAAR Failure/House Bill 4545 Accelerated Instruction

Passed during the 87th Regular Legislative Session, HB 4545 established new requirements for supplemental accelerated instruction for students who did not perform satisfactorily on a Spring 2022 grade 3-8 STAAR or End-of-Course (EOC) assessment.

Coming in Summer 2022, Academy ISD will provide targeted instruction to any student who does not meet the passing score on any STAAR assessment. Summer accelerated instruction will be **Tuesday, May 31-Thursday, June 23** from 8:00 a.m. to 12:00 p.m. Summer school will not be held on Fridays.

Any hours acquired during summer school will count towards the required 30 hours per failed assessment. Any student who does not attend summer school will complete the required 30 hours per failed assessment during the 2022-2023 school year.

STAAR assessment data will be available to parents the week of May 23rd. You will be contacted if your child fails an assessment and accelerated instruction is required.

For questions regarding HB 4545 Accelerated Instruction, please contact your child's school.
